The revised constitution allows us to nominate people who want to be on Staff Senate based on majority vote by Staff Senate. Jasmin has list of nominations and we will need to vote on these. For those who receive the majority vote from Staff Senate, they will receive a letter to see if they are interested in the position. Anyone who doesn't receive majority vote by Staff Senate can still run in November.

Representation is based on a % of employees that make up each unit.

Administrative Unit 1: President's Office and anyone who reports to the President. It should only have one senator. Currently it has 2. Elise Borne and Alison Jackson.

Administrative Unit 2: Academic Affairs. It should have 8 senators. Current senators are Donna Carter, Yolanda Benson, Louis Miliigan,
